

PROJECT VR EVENT

Présentation

As part of the organization of the finals of the senior championship of France 2022 from June 24 to 26, 2022 (Vendéspace - 85), Eleven-France is invited to organize an animation of the game Eleven TT

For the spectators (average attendance: 4000 people on the WE)

To offer a great experience to the spectators, we have imagined an installation of this type

- 2 opaque tents of 18m2 (the tents will be reused for all promotional events)
- 4 game zones.
- for each zone, 1 player + 1 coach
- 16 headset at disposal, 8 in use, 8 in charge
- 2 TV screens to allow the spectators to follow the games

Vendéspace Zone, 85000 Mouilleron-le-Captif
